SINGACUP FOOTBALL EXPERIENCE 2026
Celebrating Children's Day with APSN Singapore

Every Child Deserves a Chance to Play!

In celebration of Children's Day, SingaCup brought its Football Experience initiative to APSN Singapore, spreading joy and creating meaningful memories through football.

In collaboration with students from ITE College Central, we organised a fun-filled day of football competitions, ensuring that every child had the opportunity to participate, play and experience the excitement of the beautiful game.

Highlights of the Day:
- **Football for All –** Every child was given the opportunity to participate in football games.
- **Everyone's a Winner** – Every participant received a medal to celebrate their efforts and achievements.
- **A Special Keepsake** – Each child received a complimentary shirt to remember the occasion.
- **Giving Back Together** – SingaCup and ITE College Central students joined hands to create a memorable Children's Day celebration.

Because at SingaCup, football is more th
a game. It's about inclusion, joy and givin
every child a moment to shine.

WELCOME ADDRESS
MINISTER OF STATE FOR FOREIGN AFFAIRS AND NATIONAL DEVELOPMENT, SINGAPORE

Distinguished guests and our young footballers from around the world,

A very warm welcome to Singapore, and welcome to SingaCup 2026!

It is wonderful to see so many young footballers gathered here, representing different countries, cultures and communities. Some of you have travelled a long way to be here. We are delighted that you have chosen Singapore as your football destination this year.

I hope you have brought your football boots, your competitive spirit and of course, a healthy appetite! Singapore has plenty of wonderful food to offer and I encourage you to explore our city whenever you are not on the pitch.

This year marks the 16th edition of SingaCup. Over the years, it has grown into an international platform that brings young people together through their shared love of football. It is a wonderful example of how sport can connect people across borders, cultures and languages.

On the pitch, you may be opponents fighting for the same trophy. But off the pitch, you have the opportunity to become friends, learn from one another and create memories that will last a lifetime. After all, the best part of a football tournament is not always the final score. Sometimes, it is the friendships made along the way!

SingaCup also brings visiting teams, families and communities to Singapore, allowing us to share our city with the world while experiencing the diversity and richness that each visiting team brings. We hope you will enjoy our hospitality and take home a little piece of Singapore in your hearts.

I am especially heartened by SingaCup's commitment to inclusive football through its Para Football Showcase.

This year, the participants will take on an exciting challenge to set a Singapore Book of Records achievement for the fastest 1km dribbling relay by footballers with disabilities. Let us give these remarkable athletes our loudest cheers and strongest encouragement!

Their determination, courage and passion remind us that sport is for everyone. It is not about the limitations we face, but the possibilities we create when we are given the opportunity to participate, compete and belong.

To all our young players, I have just three pieces of advice:

Play hard. Give your best, challenge yourselves and enjoy the competition.

Play fair. Respect your teammates, opponents, coaches and referees. Good sportsmanship is just as important as winning.

Make friends. Get to know someone from another country, exchange jerseys, share a meal and discover something new about one another.

To the organisers, coaches, parents, volunteers, partners and supporters, thank you for your dedication and hard work. An event of this scale takes a tremendous team effort and your contributions make this wonderful gathering possible.

As we celebrate 16 years of SingaCup, may this year's tournament be filled with exciting football, sporting excellence, cultural exchange and friendships that go well beyond the final whistle.

To all our visiting teams, enjoy Singapore, savour our food, explore our neighbourhoods and make yourselves at home. We look forward to welcoming you back again!

I wish every team a wonderful tournament. May you play with passion, compete with pride and leave with memories worth celebrating.

Welcome to Singapore. Welcome to SingaCup 2026. Let the beautiful game bring us together!

Thank you.

Alvin Tan
Minister of State for Foreign Affairs
and National Development
Singapore

CLOSING REMARKS TOURNAMENT DIRECTOR SINGACUP

Dear SingaCup Family,

As the curtains come down on SingaCup 2026, I would like to extend my heartfelt gratitude to each and every one of you for standing with us throughout this incredible 16-year journey.

This year's edition has been particularly special. Over the past month, we faced a whole new set of challenges under circumstances unlike anything we had experienced in our sporting history. There were difficult moments, unexpected situations and plenty of hurdles along the way. Yet, through it all, the SingaCup family stood together.

That is what makes this community truly special.

Despite the challenges, we came together in Singapore, representing 13 different nations, united by our love for football. Together, we competed, persevered and successfully brought the 16th edition of SingaCup to a close. For that, I am immensely proud and grateful.

A very special shout-out to our incredible Para Football athletes! Your courage, determination and spirit inspired us all. Not only did you take on the Singapore Book of Records Challenge, but you went on to set a new record for the fastest 1km football relay in an incredible 5 minutes and 13 seconds! What an achievement! You have reminded us that when opportunity meets determination, there are no limits to what we can accomplish. You have made the entire SingaCup family proud.

As we look ahead, we are preparing for an ambitious five-year transformation plan to rethink, relook and redesign SingaCup for the next generation of young footballers around the world. We want to remain relevant, meaningful and exciting, while staying true to the values that have brought us this far.

Inclusivity will remain at the heart of our journey. We are setting our sights on doubling the number of participating teams at next year's SingaCup Para Football Showcase. This is more than a target, it is our commitment to creating greater opportunities for everyone to experience the joy and spirit of football.

To our international teams, local clubs, coaches, parents, partners, sponsors, volunteers and everyone working tirelessly behind the scenes — thank you for your trust, patience, understanding and unwavering support. SingaCup would not be what it is today without you.

Sixteen years is a milestone worth celebrating, but it is certainly not the finish line. We have bigger dreams to pursue, new friendships to build and greater opportunities to create together.

We don't just want to grow bigger. We want to grow better, stronger and more inclusive.

Thank you for being part of our journey, especially when the going gets tough. That is when the true strength of a family shines through.

Until we meet again, take care, travel safely and keep the beautiful game alive wherever you go.

16 Years Together. One SingaCup Family. And the Best Is Yet to Come!

Yours in Youth Football,

P Selvakumar
Tournament Director
SingaCup
